

# Participating in Seal Bid Events

Sealed Bid Special Events collect offers until a set closing date. Offers are not publicly displayed, and winners are determined based on seller choice.

## 1. Register for Event

All buyers must register for each event they'd like to purchase from. Once registration is open for an event, there are two ways to sign up:

### Upcoming Events | ([bidmed.com/events](http://bidmed.com/events))

This page aggregates all upcoming BidMed Special Events. When registration is open, buyers can use the buttons to view more details or to register directly for the event.

**Event Details Page** | (*URL specific to event*) At the top right of the page, buyers will find a Register button.

### Upcoming Auctions

To participate in a BidMed Auction:

- buyers must have an active account with BidMed online. Sign up for a **FREE buyer's account** now.

## 4. Event Closing Process

**Winners** | If your offer is accepted on one or more listings, you will receive an email notification at the close of sale, and an invoice within 24 hours.

**Invoicing and Payment** | Winners will receive an email including their invoice for all items won, payment details, and event-specific information. Payment is due before equipment pickup.

**Pickup + Shipping Logistics** | Buyers are responsible for all shipping and handling costs. Depending on the event, BidMed may be able to recommend service providers based on event location.

Most events will include a specific pickup window, and details regarding the process (including a responsible contact) will be sent with your invoice details.
